Which of the following do you want to sign up for?

1. Livewire Central:£65

I want to attend the Livewire week to work on Band Development, Song Writing, Composition and Music Production. You will find yourself getting involved in lots of different groups whilst developing material for the Livewire gigs)

2. Music Production: £30

I only want to use the week to develop music production skills, including producing instrumental tracks and working with singers/rappers to develop their tracks.

Livewire Gig

Livewire Central culminates in a gig at De Koffie Pot on Saturday 2nd November, at which you will have the opportunity to perform your work from the week.

Soundchecks begin at 2pm. and doors will open at 7pm. This is an essential part of the week which we hope everyone will want to be part of.

I am able / not able to make the gig at De Koffie Pot on 2nd November 2019
(delete as appropriate)

If you are unable to make the gig, please contact Chris to discuss how you can be involved. Please feel free to contact with any other questions about Livewire Central as well.

Livewire bursary

Please note that Livewire Central is run by Close House, a charitable organisation. We have limited funds to run this project so we need to charge a small fee to cover the costs of the week. However we do not want to exclude anyone from Livewire.

If for any reason you cannot afford to attend Livewire at the above price, please explain why Livewire would make a difference to you in the box below. We will confirm with you whether you are eligible to attend for free on a bursary placement. This information will be kept completely confidential.
